VOL. 15

NO. 9

ESTABLISHED 1903

Message from the President:

Dear Members,

As the summer is drawing to a close, perhaps you are reviewing the new art work you've done and making plans for Fall's efforts. Remember, Jackie Rybinski has lined up some good shows for us in 2016 and 2017.

In just a few weeks, we'll see each other again at our first meeting of the new membership year. Our Programs Committee has been busy seeking out venues and guest speakers for our meetings. Also, we will plan to have another "Show-and Tell" at one of our upcoming meetings.

See you soon!

. . . Kathy
