JULY, 2017

VOL. 17

NO. 7

ESTABLISHED 1903

President's Message:

Lisa Waud, of "Flower House" fame, will be the guest speaker for our September meeting at the DYC. In 2015 Lisa initiated and produced a floral-art installation in an abandoned Detroit house. Lisa and other cutting edge florists filled the walls and ceilings with fresh flowers and living plants. The installation was up for only one weekend and received an estimated 3,000+ visitors. The installation was photographed by Heather Saunders and developed into a book. You can see some photos of the artwork by searching: "Flower House Detroit".

You don't want to miss this presentation !
